

Cogni Chair

Enhancing engagement, flexibility, and inclusivity, Cogni classroom chairs create adaptable, welcoming spaces for today's students.

Key Features

A Controlled Mobility

Patent-pending heel-wheel offers controlled mobility, acts as an anti-tip mechanism, reduces noise, floor stress, and functions like a dolly when stacked up to four high.

B Sensory Surface

Patent-pending sensory surface on the chair shroud promotes tactile engagement for diverse learners.

C Ergonomic Comfort

Adaptive seat design and comfort ledge accommodate various postures and positions while back frame flexes 11 degrees for comfort.

D Base Options

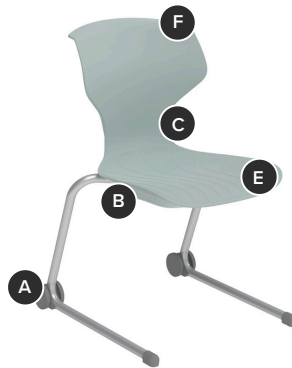

Available in cantilever or 4-leg styles. Cantilever models are available with heel-wheel or glides. 4-leg chairs are available with casters or glides. New hybrid (non-skid) glides accommodate luxury vinyl and hardwood flooring.

E Size Options

Choose from multiple seat heights: 12" (4-leg only), 14", 16", and 18" (passes ANSI/BIFMA X6.1 testing).

F Elevated Aesthetic

Organic shape provides a refined look with modern color palette featuring bold and neutral tones allowing choice in any learning space.
